10		Production and Operations Management	3	Grade 2		
11		Financial Management	3	Grade 3		
12		Human Resource Management	3	Grade 3		
13		Strategic Management	3	Grade 3		
Notes	<p>1. Students who choose the Department of Business Administration as their minor must complete at least 21 credits, excluding the basic courses listed in this list.</p> <p>2. Credits should be prioritized for compulsory courses. If the compulsory courses listed above are also required by the student's major department, they must select additional courses from the department's elective offerings (except language courses, all other courses are open for selection) to meet the required 21 credits.</p>					

1. According to "The NCHU Regulations on Students Pursuing a Minor Degree," students must complete at least 20 credits in required courses for their chosen minor, and these credits must not include courses that are also required for their major.
2. This list must be reviewed and approved by the department, college, and university-level curriculum committees before being published by the Office of Academic Affairs.
