**Department of Business Administration Graduation Requirements
for Students Enrolled **after** 2025**

VIII. Minor Degree: If a student intends to study for a minor degree, he/she will need to take 20 (or more) credits in addition to the department's minimum credits required for graduation. For more details, please see the bulletin of Curriculum Division website.

IX. Double Major: If a student intends to study for a double major degree, his/her academic performance of last semester has to be in 10% of the class. Double major students not only have to fulfill all college requirements credit, they must also take at least 12 credits of professional requirements credit of our department in order to be granted a double major degree.

X. Cross-Disciplinary Expertise Development Program:

The department offers this program for the applicants from the bachelor's program or the continuing education bachelor's program. Applicants must be ranked within the top 10% of their class in the previous semester. If there are overlapping courses and credits between the interdisciplinary courses and the required courses of the student's major, the department or college offering the interdisciplinary specialization will designate relevant elective courses to fulfill the requirements.

XI. Students who graduate from the study period of the senior high school less than 6 years will be required to take at least 12 extra credits in their graduation requirements.
